PRESS RELEASE **17-10-2026**

Indian Bank Reinforces Commitment to Cyber Safety During National Cyber Security Awareness Month

Chennai, October 17, 2026: Indian Bank is undertaking a series of awareness initiatives throughout October, observed as *National Cyber Security Awareness Month*, to educate customers, employees and stakeholders on cyber security, safe digital banking practices and fraud prevention. These initiatives are aligned with national programmes such as *Cyber Jaagrookta* and relevant regulatory guidelines.

As part of its outreach efforts, Indian Bank organised a Walkathon near Besant Nagar Beach, Chennai, to promote cyber awareness and highlight the importance of collective responsibility in combating cyber fraud. The Walkathon was inaugurated and participated in **by Shri Binod Kumar, Managing Director & CEO, Indian Bank**, in the presence of Executive Directors **Shri Shiv Bajrang Singh** and **Ms. Mini T. M.**, along with senior officials and employees.

Addressing the gathering, **Shri Binod Kumar** emphasised the importance of heightened cyber awareness and vigilance in safeguarding digital systems and promoting secure banking practices.

To strengthen cyber security awareness among employees, a pan-India quiz competition was also organised, with winners suitably rewarded for their performance.

As part of its awareness campaign, Indian Bank is prominently featuring its cyber safety mascot, **"IB CYBER CAPTAIN,"** across its awareness materials to reinforce key cyber security messages and encourage customers and stakeholders to adopt safe digital banking practices.

Through these initiatives, Indian Bank reaffirms its commitment to foster a strong cyber security culture, combating emerging digital threats and building a safer digital banking ecosystem for all its stakeholders.
