

Customer Advisory: Access to RBI EDPMS/IDPMS Portal

We wish to inform our valued customers that, in accordance with RBI guidelines, view-only access has been enabled on the RBI portal for monitoring transactions under:

- EDPMS (Export Data Processing and Monitoring System)
- IDPMS (Import Data Processing and Monitoring System)

Key Benefits of This Facility:

Customers can now:

- View pending and outstanding export/import transactions
- Track the status of Shipping Bills, Bills of Entry, and remittances
- Access a consolidated view of transactions across all Authorised Dealer (AD) Banks

Details Required for Registration/Updation:

Exporters/Importers are requested to provide the following details to their AD Bank for updating records in the EDPMS/IDPMS portal:

IE Code	IE Name	IE Address1	IE PAN	IE Mobile	IE Email	Remarks

Note: Only the **latest registered Email ID and Mobile Number** updated in the portal will be recognized for access.

Upon updation of customer details in E/IDPMS portal by AD Bank for enabling the customer for view rights, customers may go for registration process as detailed under

1. Visit the RBI Portal:
 <https://edpms.rbi.org.in>
2. Click on “**Customer Registration**”
3. Fill in the required details:
 - **IE Code:** Importer Exporter Code (IEC)
 - **IE Name:** Name of the firm (as per DGFT records)
 - **IE PAN:** PAN linked with IEC
 - **IE GSTIN:** GST Identification Number
 - **IE Phone:** Valid Mobile Number
 - **IE Email:** Active Email ID (for login & communication)
 - **Registered IE Address:** Business address linked with IEC

All customers are advised to contact your branch and submit required details for updation in the EDPMS/IDPMS portal
