REVIEW REPORT

The Board of Directors
Indian Railway Finance Corporation Limited
UG Floor, East Tower, NBCC Place,
Bhishm Pitamah Marg,
Lodhi Road,
New Delhi-110003

We have reviewed the accompanying statement of un-audited financial results of Indian Railway Finance Corporation Limited for the half year and the year ended March 31, 2016. This statement is the responsibility of the company's management and has been approved by the board of directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, except the observations/matters mentioned below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

1. Out of the Total lease income of Rs.717011 lacs, a sum of Rs.66685 lacs and Rs.44111 lacs has been accrued for assets leased during the year and half year under review on the basis of assumption:
 - a) The assets have been leased on monthly pro rata basis of the total mandated (Budgeted) amount of Rs.1518000 lacs for the financial year 2015-16; and
 - b) The rate of lease rental as calculated by the company would be accepted by the lessee.
2. The interest payable to Ministry of Railways (MOR) on delayed payment during the year and half year under review amounting to Rs.29100 lacs and Rs.14080 lacs

11

respectively has been provided on the shortfall in funds transferred to MOR as compared to the assets assumed to be leased.

3. In absence of details and formal lease agreement with the MOR regarding assets procured under leases during the half year and year under review, we are unable to comment on the impact of the same on lease income, interest expenditure for delayed payment.
