Indian Bank signs MoU with DHBVNL for payment gateway services

Indian Bank announced the signing of Memorandum of Understanding (MoU) on 19th December 2023 with the Haryana Government's Power Distribution Utility, Dakshin Haryana Bijli Vitran Nigam Limited (DHBVNL) for payment gateway services. The signing ceremony was held at Karnal in presence of Shri. Mahesh Kumar Bajaj, Executive Director, Indian Bank and Shri. Pardeep Kumar, Senior Executive Officer, DHBVNL.

Through this MoU, DHBVNL consumers will now have the convenience of paying their electricity bills online through a variety of secure and user-friendly payment options offered by Indian Bank's Payment Gateway Services. These options include Debit Card, Credit Card, Internet Banking, UPI, Wallets, NEFT, and RTGS.

Commenting on the MoU, **Shri. Mahesh Kumar Bajaj, Executive Director** of Indian Bank said *"We are delighted to partner with DHBVNL to offer a convenient and secure online bill payment platform for their consumers. This collaboration aims to enhance the convenience and accessibility of payment methods for DHBVNL customers, making it easier for them to pay their electricity bills through various digital channels. This collaboration aligns perfectly with our mission to empower customers through digital banking solutions and promote financial inclusion,"*
